GRAPE SITUATION

WINE VARIETIES LITTLE HURT BRING GOOD PRICE AND RAIN ADDS TO WEIGHT

A light precipitation in La Canada Friday night caused anxiety to grape growers there who still have fruit to be marketed. H. L. Hayman, who has been fortunate in disposing of his crop on contracts made early in the season says that the recent rain seriously injured table grapes, particularly Tokays. Vineyardists who were caught with a part of their crop unpicked say they will not attempt to sell it for the table, but will use it for grape juice. Later varieties like the Malaga and Cornichon, particularly the latter which has a tough, leathery skin, have come through very well, particularly on vines which were high enough to prevent any contact of the fruit with the ground allowing the air to circulate through them and dry out all moisture. The rain added to the weight of wine grapes which had become a little over-ripe and were drying out. Cars sent out just before the storm averaged 25 pounds to the box. Following the rain the average was 27 pounds. Mr. Hayman says the car situation for wine grapes is a little better than it was two or three weeks ago and the demand and the price are on the increase. Jobbers are probably making good money on contracts made early in the season, for wine grapes in the eastern market are bringing $60 a ton against an average price heretofore of $30 a ton. On the other hand buyers have paid as high as $200 an acre for muscats from vineyards at Etiwanda and Cucamonga and their loss is liable to be heavy. As nearly as Mr. Hayman can estimate it, about fifty per cent of the grape crop in the La Canada district has been moved to date.

MISS HAND A FAVORITE

Miss Mary Louise Hand Whisler, who is to appear on the complimentary recital to be given at 109½ N. Brand boulevard Tuesday evening, October 14th, program of which appears in the advertisement of the Glendale Phonograph & Piano Company in this issue, is a Southern California product who has been meeting with flattering success in the east. Early in the fall she was an attraction on a convention program of the International Lyceum Association, in Chicago. William Jennings Bryan, who appeared on the program the same evening, expressed himself as delighted with her artistic work. She was also heard at musical affairs at the La Salle Hotel and Oakwood M. E. Church, Chicago, and elsewhere in the middle west. Sylvester A. Long, president of the International Lyceum Association, recently wrote Miss Hand thanking her for her splendid work on the program of that association. Glendale people will be glad to have an opportunity to hear this talented young musician.

COMMUNITY SING

As usual the Community Sing at the High School Thursday night opened with "America." Following that considerable attention was given to the "Last Rose of Summer," the conductor drilling the singers on certain parts a row at a time. Another chorus number was "Jingle Bells," which was also whistled by the men as an accompaniment to the women's voices and then whistled by the women alone. The repertoire also included "My Bonnie," "O, Mother Dear Jerusalem," "Now the Day Is Over" and "Star Spangled Banner."

The soloist of the evening was Mrs. Mabel Capell whose lovely soprano voice was displayed in perfection in "My Own Home Land and You," which was followed by the encore number "Sleep Kentucky Babe."

Blake Franklin, vice-president, took a few moments to explain the plan adopted for financing the Community Sing, viz., a committee of fifteen persons each of whom would agree to be responsible for $5.00 per month until the first of January when the election of new officers will take place, the $5.00 to be raised in each instance by soliciting subscriptions or in any other way the committee-man or committee-woman might see fit to obtain it. He referred to the eight volunteers who had pledged at the last meeting $5.00 each and then called for seven more volunteers. There were four responses leaving but three more pledges to be secured.

The director expressed his admiration of the plan and said he was going to pass it along to other choruses.

WEATHER FORECAST — Partly clouded and unsettled tonight and Saturday. Probably no rain.

TRUSTEES' MEETING

ORDINANCE INTRODUCED CALLING A BOND ELECTION FOR NOVEMBER 12TH

The Board assembled at 8:10 p. m October 9, 1919. All members were present. The minutes of the last regular meeting of October 2, 1919, were read and approved.

Application was presented to the Board from Dr. Marie Magill-Corby, asking for permission to conduct at 525 South Central avenue, Glendale, a Convalescent Home, or Health Resort. The application was accompanied by references, and having the approval of the Health Officer the application was on motion of Trustee Jackson, granted.

A communication was presented from Mrs. E. B. Hall, and four others, requesting that their names be stricken from the petition which they had signed asking for the extension of Sycamore Canyon Road. The communication was ordered to be filed.

An application was presented from Mrs. R. B. Finley for a permit to sell milk. On motion of Trustee Jackson the permit was granted subject to the approval of the Milk Inspector.

An application was presented to the Board signed by P. Deiderich and a number of other city employes, requesting permission to hunt in the uninhabited portions of Verdugo Canyon. On motion the permission was granted.

A letter was read from S. A. Chase, Agent of the Northwestern National Insurance Company, proposing to renew the policy of Fire Building No. 1, in the amount of $3,000 for a term of three years at the rate of $1.25. On motion of Trustee Jackson the proposition was accepted by the following roll call. Ayes: Henry, Jackson, Muhleman; noes, Woodberry, Shaw; absent, none. On motion of Trustee Shaw, the City Manager was instructed to investigate and report on the practice of other cities in reference to insuring Fire Houses.

A communcation was read from Jno. A. Payne asking authority to construct a gallery on one side of the building located at the junction of Eulalia and San Fernando Road. On motion of Trustee Shaw the application was referred to the Building Superintendent to investigate and report.

Demands were presented and on motion referred to the Finance Committee, and later reported back approved.

Report of the Building Inspector for the month of September was presented showing the permits granted during the month to be 42 at the valuation of $47,951.00. Report ordered to be filed.

A report was read from the City Manager as to progress by the Los Angeles County Flood Control Department in constructing flood protection works on the banks of Verdugo Wash. Report filed.

Report was read from the City Manager accompanied by copy of letter written by him to Supervisor Dodge, in reply to a letter from Supervisor Dodge calling attention to the fact that the lowest bid for the construction of the bridges at Brand boulevard amounted to $29,863.00, which is $9,863.00 in excess of the appropriation of $20,000.00 for that object made by the Board of Supervisors. In compliance with suggestion made by Supervisor Dodge, the City Manager had written to G. W. Jones of the County Road Department, also Mr. Woodley, and he expressed confidence that the County Officials would do all that they can to expediate the construction of these bridges. Communication filed.

A communication was presented from the City Manager regarding the rates of pay fixed by Ordinance No. 356 for volunteer firemen, recommending that action be taken to increase the pay for such service. On motion of Trustee Shaw, the City Attorney was instructed to draft an Ordinance amending Ordinance No. 356 in accordance with the suggestion of the City Manager.

The City Manager made report in regard to pole belonging to the Telephone Company on the S. E. corner of Brand boulevard and Elk avenue, which had been referred to him. On motion of Trustee Jackson it was ordered that the Pacific Telephone & Telegraph Company be requested to remove the pole within ten days from date, under the direction of the City Manager.

The City Engineer presented a map showing proposed change in culverts on Brand boulevard.

In reference to the refund of taxes referred at the last meeting to the City Attorney, that official presented the following communication:

Concerning the application of various citizens of Arden avenue, Valley View and Kenilworth Annexation Districts, for a refund of taxes paid to the County of Los Angeles after these territories were annexed to the City of Glendale, I beg to advise you the annexation act under which these districts came into the City of Glendale, provides as follows:

The property in any such new territory annexed to any municipal corporation under the provision of this act, after 12 o'clock meridian of the first Monday in March, and before the completion of the assessment roll of such municipal corporation, shall be subject to taxation for municipal purposes for the fiscal year following said first Monday in March.

These districts were annexed to the City of Glendale after the first Monday in March, and before the assessment roll of the City was completed, hence the property herein became subject to taxation for that current year for City purposes. A lien for County taxes attaches as of the first Monday in March of each year for County taxes so it necessarily follows that the property in these districts was made subject to a double taxation.

The law provides, however, that the County may refund to the City, the road tax collected on property that may be annexed to a municipality after the tax lien attaches, hence the County has paid to the City of Glendale the road tax collected by it on the property in these districts. This money becomes a part of general fund of the City and the Board of Trustees is without authority to pay it out without an order of the Court authorizing it.

The taxes collected by the City of Glendale embrace a street and library tax.

There is no doubt but that this is to that extent a duplication of taxes, made necessary by what is apparently an oversight in the drafting of the annexation law. It is unfair and unjust to these property owners to have to bear the burden of this condition, so for the purpose of settling this question, I suggest that it would be proper for some one of these claimants to present a demand to the Board of Trustees for the amount claimed to be due him. This demand could be approved by the Board, but the City Treasurer would undoubtedly refuse to pay the same on the ground that such payment was not authorized by law. The claimant can then bring an action in the Superior or Appellate Court for a Writ of Mandate against the Treasurer, seeking to compel him to sign the warrant. In this way the case could be put directly up to the Court and a decision had.

I shall beglad to co-operate with such effort to procure a solution of this matter.

Yours very truly,
Signed W. E. EVANS,
City Attorney,
City of Glendale.

The City Attorney had prepared a resolution abandoning certain streets in Verdugo Canyon which was adopted as Resolution No. 1084, by the following roll call, all voting aye, Henry, Jackson, Muhleman, Shaw, Woodberry.

Trustee Shaw introduced an Ordinance calling a Bond Election for November 12, 1919, which was ordered to be laid over until the next regular meeting.

On motion of Trustee Shaw the Ordinance presented at the last regular meeting amending Ordinance No. 201 was adopted as Ordinance No. 360. An Ordinance of the City of Glendale, amending Ordinance No. 201 of said City, as amended by Ordinance No. 325.

The Chairman presented to the Board the name of Mrs. Kemper Campbell as a member of the Library Board. On motion of Trustee Woodberry the appointment of Mrs. Campbell was confirmed and adopted.

The City Attorney and City Clerk were each granted leave of absence for one week.

THE NEW BIRTH

EVAINGELIST VOM BRUCH DWELLS ON REGENERATION AS PREPARATION FOR HEAVEN

It was a large and enthusiastic, also an earnest crowd of worshipers, that gathered at the tent on the corner of Maryland and Wilson avenues Thursday night. It was a great encouragement to the young people responsible for inaugurating the meetings. The evangelists were engaged for but one week, therefore only three more evening meetings remain. If last night's attendance is any indication of the future, persons who wish to participate in the service tonight will need to come early to get a seat. Tonight Mr. Vom Bruch will take as his subject, "When Is a Fool Not a Fool?" and an address of special interest to young people is promised.

The theme of the evangelist last night was "The New Born Child." He said in part: "What is new birth? The Bible gives it to us in part in Isaiah 60-15 and in Eph. 4-24. It is the new life of divine nature given by God. We receive it when we receive Christ Jesus. We cannot receive it by education, works, imagination, society or form. It must come from above because humanity is below, spiritually. Humanity is dead because of sin. Men say: 'How can a man be dead when we can still preach to him?' Lazarus was dead and Christ said: 'Come forth' and he came. We are dead in sin until Christ says 'Come forth' and we heed his call and are born again. The soul is man. The body is the tabernacle in which we live. You can bury, burn, drown or cremate the body, but you cannot touch the soul.

"Man is by nature sinful. If we should put man in his natural state without change into heaven, it would be hell to him. Man cannot drink, chew, or use profane language in heaven, therefore heaven would be hell to him. Girls cannot dance, sing popular music, and run after unclean society in heaven because it will not be there, so heaven would be hell to some of them. Heaven is a prepared place for prepared people and a new birth is required when man accepts the plan of God and receives Him for all he claims to be.

NEIGHBORLY HONESTY

It is a satisfaction to the publishers of the Glendale Evening News to know that the paper is appreciated in the community, but it is a situation which has its drawbacks, too, which become apparent when subscribers telephone to complain of not receiving papers, stating that unless they are on the lookout for the carrier they do not get it and declaring that they cannot afford to subscribe for the benefit of the neighbors. The man or woman who will deliberately appropriate a local paper which chances to lie on the public walk in front of the subscriber's premises instead of in the yard or on his porch, has a pretty low standard of moral obligation. The Evening News endeavors to train its carriers to throw the papers well up towards the residences of its patrons, but some of the boys are not expert at throwing them and so occasionally fall short of the mark.

DR. SOPER RETIRES

Dr. Soper has been relieved at his own request from the pastorate of the Casa Verdugo Methodist Church and will retire from active work.

His successor has not been yet appointed, but at the request of the District Superintendent, Dr. Soper will fill the pulpit next Sunday.

It is gratifying to his many friends that in retiring from the pulpit Dr. Soper will continue to reside in Glendale and to occupy their home at 1305 North Maryland.

WHIST PARTY

Mesdames O'Brien, Townsend, Peter Ferry, Herman Nelson and Jack Thomas entertained Wednesday evening at the White House Inn in honor of the ladies who will have charge of the apron booth at the fair to be given at La Ramada the last of the week. Sixty-five to seventy guests were present and the evening was devoted to whist, Miss Margaret Sullivan winning the ladies' prize for best score. Home-made cake and coffee were served at the close of play.

W. E. Pelley, who is now conducting a wholesale and retail confectionery business in Santa Ana moved his household effects to that city last Saturday. He had expected to go long before, but the congestion is as bad there as in other parts of Southern California and he was unable to get a house there until the date mentioned.

SCHOOL BOARD MEETS

MEMBERS OF GREATER GLENDALE DEVELOPMENT ASSOCIATION PRESENT PROTEST

Officials and other representatives of the Greater Glendale Development Association appeared before the Board of Trustees of City Schools at their regular meeting Thursday evening at Intermediate and presented a formal protest against the employment of any but local architects and builders in the construction of school buildings for which bonds were recently voted.

The protest was in the form of a resolution which is as follows:

RESOLVED, That the Greater Glendale Development Association favors the expenditure of the entire school bond issue in Glendale for the building operations for which said issue was authorized commencing with the preliminary architectural work and that any action heretofore taken contrary to the spirit hereof be reconsidered, and

FURTHER RESOLVED, That a committee of this Association present this Resolution to the Board of School Trustees as promptly as possible.

Signed,
EXECUTIVE COMMITTEE OF THE GREATER GLENDALE DEVELOPMENT ASSN.
NORTON C. WELLS,
President.
C. D. LUSBY,
Secretary.

The visiting delegation included Norton C. Wells, president of the Development Association; C. D. Lusby, its secretary, and C. L. Chandler, J. G. Huntley, J. Herbert Smith, V. M. Hollister, Clarence Jay, Theodore Hopping and E. H. Willisford. On the arrival of these gentlemen the Board adjourned to a larger room and a general discussion of the matter they presented followed which lasted until a late hour when the Greater Glendale Development Association representatives retired and the School Trustees adjourned without taking action.

CHASING BUTTERFLIES

Glendale's school kiddies and even the grownups today are out hunting for butterflies for the word has come from the L. J. Gasnier Studios on Verdugo Road that Lew Cody, the film star, cannot start production on his new screen play, "The Butterfly Man," until he acquires nearly a thousand butterflies which are to be photographed in the prologue to the feature.

The butterflies are wanted by Ida May Park, Lew Cody's new directress and payment will be made by Miss Park's assistant, Curt Rehfeld. J. A. Dubray is the photographer and filming will commence as soon as the butterflies are collected.

BEAUTIFUL PACOIMA

W. E. PELLEY SAYS BED AND MOST LOVELY PART OF CANYON IS UNHURT BY FIRE

W. E. Pelley who had a $600 cabin in Pacoima Canyon—a real house—which was burned in the forest fire that swept the canyon, says that the site, which was a very beautiful one on the slope of the canyon and covered with beautiful oak trees, was ruined. The trees are just charred stumps. He will rebuild after the first of the year on another site he owns further up the canyon which the fire did not touch and which is even more beautiful than the one destroyed.

Mr. Pelley also says that the most lovely part of the canyon was not damaged. The fire cut across and leaped the ravine leaving its bed practically unhurt. The trees are not even scorched. He gratefully credits the saving of any part of the Pacoima to Mr. Cummings, a shoe merchant of Los Angeles, saying: "We have him to thank for saving the canyon after the ranger took his men out. Mr. Cummings went in with a party of volunteer fire fighters and saved all but seven of the cabins and practically saved the canyon. The property owners have not yet learned why the ranger and his 175 men left the canyon at the critical time they did. Had they remained half an hour longer it is believed they could have saved all the property. Mr. Cummings said if he could have had two more men he could have saved my cabin and several others. The ranger in charge was from San Diego."

Mrs. R. C. Spillsbury of 1755 Gardena avenue will entertain her father and mother, Mr. and Mrs. J. A. Colburn, and her brother and wife, Mr. and Mrs. J. A. Colburn, Jr., of San Bernardino, for the week-end.

Mrs. C. E. Hurlburt of 348 West Park avenue returned Wednesday from Portland, Oregon, where she has been visiting her father for the past four weeks. Mrs. Hurlburt reports a fine time, but found the climate rather damp after the dryness of Southern California.

Mrs. Elizabeth Kassell, who has been visiting her daughter in Oakland since last June, returned Thursday to the home of her daughter, Mrs. S. A. Pollock, 419 West Park avenue, where she will spend the winter.

Mr. and Mrs. E. E. Smith of 1022 North Louise are anticipating a visit from their daughter, Mrs. C. L. Hare, of Long Beach, who has been ill for some time but hopes to be able to spend the week-end with her parents in Glendale.

George P. Bohannon of 325 Myrtle avenue is building a fine seven-room bungalow on a lot opposite his residence which will greatly improve the street on which there have been several vacant lots. He is building to sell and the neighbors are very glad to see the house going up.

Mrs. Amos Marshall, of Eureka, Illinois, and her brother, Mr. Scott, of Tennessee, are the guests of Mr. and Mrs. G. S. Learned, of 311 North Maryland avenue. They are enjoying a number of trips to the beaches and other places of beauty. Friday a trip to the aviation field at Arcadia is planned.

Mr. and Mrs. Hayward of 114½ South Orange are rejoicing in the return of their son, Captain Hayward, who was recently discharged from service at Camp Lewis after overseas experience of about a year in France. He has returned to business life and is now connected with a Los Angeles real estate firm.

The promoters of annexation propaganda are said to be taking another whirl at it in La Canada to the great disgust of many citizens who are posted as to what it is likely to cost to deliver water from the Owens River over a high line to that territory. A Los Angeles engineer who recently discussed the matter with a property owner there said if it ever went through the bonded indebtedness would approximate the value of the land and amount practically to confiscation.

Miss Emily Van Osdoll of 612 East Elk avenue is entertaining this week her old chum, Mrs. Emmett Matthews, of Los Angeles, formerly Miss Madeline Hayes, who is a comparatively recent comer to Southern California. Mrs. William Van Osdoll and her daughter, Mrs. M. D. Burk, are dinner guests of Mrs. Matthews today at the Alhambra Apartments in Los Angeles.

Edward S. Lawrence of the Ford Agency and Mrs. Lawrence left Friday morning for San Diego to attend the Elks' Convention. Mr. Smith says there are eight Elks prancing around his agency and as most of them want to go to San Diego he expects the service will be somewhat crippled during the next few days, but he hopes the public will be patient and remember the cause. He himself will stay with the ship.

Mrs. V. E. Skiles of 323 West Wilson avenue has been greatly enjoying a visit from Miss Elizabeth Grant, of San Francisco, who has been spending the past three weeks with friends in Los Angeles and Glendale. A trip to Santa Ana and numerous trips to the near-by beaches were enjoyed by hostess and guest who is much pleased with her visit in the south. Miss Grant will return to San Francisco next week.

Mrs. H. H. Parkhouse and son and Mrs. P. F. Beere, who have been the house guests of Mrs. Arthur D. Smith of 315 North Kenwood street for some time are returning soon to their home in St. Paul, Minnesota. Mrs. Beere is a sister-in-law of Mrs. Smith's and contemplates a return to California in the near future to remain permanently. Another brother of Mrs. Smith has recently come to Pasadena and engaged in business in the Crown City.

Miss Doering, who for a number of years was a missionary to the Laplanders, is sojourning for a time in Glendale. She had expected to leave ere this for the South African field, but her departure has been postponed. She is to speak at this week's meeting of the young people of the Seventh Day Adventist Church telling them something about life in Lapland, the manners and customs of the people.
